North Karnataka Small Scale Industries Association

NKSSIA was established in 1962 with an objective to promote and develop of small scale Industries. It also facilitates Industrial business, and bridge educational and research institution and other organizations to collect and exchange of information pertaining to Small Scale Industries and to represent the cause of MSME of Northern Karnataka and also organize common service facilities to our members.

NKSSIA came in the existence to augment the strength to represent the common problems effectively through a powerful platform and seek solutions for the same, to co-operate with the Government, Public or Private Bodies, to implement Schemes For Economic Development of Enterprises in North Karnataka. also to undertake research work and to develop technical education and to establish the institutions to impart technical education.

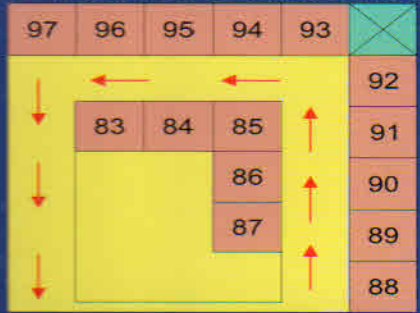

NKSSIA has been representing MSME sector in all endeavors like Policy making, infrastructure development, allotment of industrial lands, planning and budgetary recommendations and for development and growth of MSME sector in this part of Karnataka.

The Majority of the industries located here are mainly manufacturing of Industrial Valves, Automobile Components, Paint, & Plastic Industries, Crown caps, Electrical Motors and Alternators, Cotton Ginning Factories, Service oriented industries, Software Development units etc.,

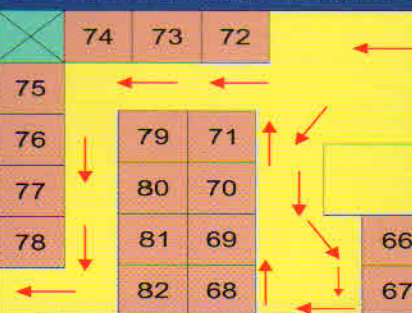

Hubballi is a major hub for valve manufacturing industries and contribute to 40% of country's total manufacturing of Industrial Valves. TATA Motors, TATA Marcopolo, Kirloskar Electric Co., etc., have their manufacturing plants here. Around 80 units are export oriented units located in this area.
